## COMMUNITY CODE OF CONDUCT

### Connect. Create. Contribute.

WE LIVE AND THRIVE TOGETHER AS A COMMUNITY OF LEARNERS - STUDENTS, STAFF, FAMILIES AND GUESTS - WHEN WE:

- We **connect** in a safe and inclusive way, respecting all members of our Imagine community.
- We **create** relationships that value individual differences and collective responsibility
- We **contribute** to a caring and welcoming environment by taking care of this place and each other.

We commit to create an environment in which all members of the Imagine family can connect, create, and contribute. We recognize that our students are developing as responsible participants of our community and, therefore, we remain focused on accountability for personal actions coupled with approaches that focus on empathy and the repairing of harm.

**Connect.  
Create.  
Contribute.**

**All are welcome at Imagine High.  
Our community aims to be free  
from:**

- **Discrimination of any form based on race; ethnicity; ancestry; sexual orientation, gender identity or expression; religion, place of origin, family status, physical, mental ability, or other factors**
- **Bullying or harassment: a persistent pattern of unwelcome aggressive behaviour that hurts others physically and or/emotionally**
- **Retribution against a person who has reported concerns**

### Imagine Dress Code

**Our student dress code supports our goal of inspiring students to learn while leaving primary decisions around clothing and style to students and families. Students will refrain from wearing clothing that contains discriminatory images, drug/alcohol references or imagery that negatively impacts a safe, welcoming learning environment.**

## Expected Actions

We expect members of our community to act in a way that makes the school safe, equitable, kind, and inclusive. Our community functions at its fullest through:

- Just, consistent, and reasonable expectations that embed student voice, choice, and agency
- Instructional design that promotes and reinforces pro-social skills, mediation, collaborative learning, and restorative practices
- Responsible choices and safe behaviours
- Collaborative problem solving
- Conflict resolution through restorative practices

## Unexpected Actions

Unexpected behaviours or actions can interfere with personal safety, well-being, and learning. Unexpected actions may damage relationships, disrupt learning, or undermine safety.

*They consist of, but are not limited to:*

- Lack of respect or care for for others
- Verbal (digital or face-to-face) harassment or physical aggression
- Destruction or misuse of property
- Actions that threaten the emotional or physical safety of others

## Restorative Processes

WHERE POSSIBLE:

- **Include students in the development of meaningful interventions through discussion or mediation**
- **Focus on repairing relationships and re-integrate the student back into their learning community**
- **Support students with time and space needed for reflection, self-regulation and repair**
- **Create supportive conditions for students to learn and practice self-discipline**
- **Address injustices by addressing the needs of those who have been harmed and support restorative interventions**

## Responses to Unexpected Actions

To be equitable, responses must be flexible, and individualized. Responses may vary from student to student where an incident appears to be similar and will respect individual rights, needs, age or developmental level, and where they are in their learning journey. Responses will focus on restorative actions wherever possible. Serious incidents will result in communication with parents, school district officials, police, and/or other agencies as appropriate to support the students involved.

Responses may include:

- **Review of expectations**
- **Meetings with parents/guardians**
- **Loss of privileges**
- **Student contract or support plan that includes strategies, supports and resources**
- **Referrals to district or community resources for additional assessment or support**

# COMMUNITY TECHNOLOGY EXPECTATIONS

## STUDENT CELL PHONE AND DIGITAL DEVICE USE

See [SD33 ADMINISTRATIVE PROCEDURE 318](#)

The Chilliwack School District is dedicated to fostering a positive and productive learning environment, prioritizing academic achievement and appropriate socialization. The use of cell phones and personal digital devices is a privilege that comes with the responsibility of maintaining this environment. Classroom norms and expectations around technology use will be shared by classroom teachers in September.

### All Students:

- To contact a student during instructional time, call the school office.
- Students who have accessibility/accommodation needs, where a personal device is needed to ensure equity of access.
- Students with medical or health-related reasons who require a personal digital device will also have access.
- Headphones or earbuds must not be worn or visible during instructional time, including assemblies, unless the teacher has allowed them.

### Secondary Students:

- During break/ lunch periods, students are encouraged to be active and socialize with friends. They are encouraged to put their cell phones/other devices away.
- During instructional times, students will silence their devices and store them in their bag, locker or a designated space provided by staff.
- Your child’s teachers will decide if students can use their cell phones or digital devices during class time for educational purposes.

**Unauthorized use of electronic devices is not tolerated. If a student is found using a device without permission, it will be confiscated and returned at the end of the class or day as determined by school staff.**

**For privacy considerations, unauthorized taking of pictures, videos, or recordings at school or during school activities is strictly prohibited as per Administrative Procedure 481: Audio / Video Recordings, Photography and Live Streaming.**

**\*For repeated technology concerns, the device(s) will be given to the office who may return the device(s) to the student and/or contact the parents if the issue persists. Students may then be asked to turn their cell phone into the office each morning and pick it up at the end of the day or to leave it at home.**
