Keep immunizations up to date

You can check your immunization records one of these ways:

- Scanning this QR code
- Going online to HealthGateway.gov.bc.ca
- Using the Health Gateway app

How do I get vaccines?

You can make an appointment for immunization at a public health unit. Please call:

- 604-702-4906 if you live in Mission, Abbotsford, Chilliwack, Agassiz, or Hope
- 604-476-7087 if you live in any of the other communities of Fraser Health

If you prefer, you can make an immunization appointment with a doctor, nurse practitioner, or pharmacist. Call ahead and ask if this service is available.

All routine vaccines are free in British Columbia.

What if I had vaccines, but they are not my immunization record?

If vaccines were given by a family doctor, nurse practitioner, or pharmacist, they might not be on the child's immunization record. If the record is missing vaccines, please do the following:

1. Contact the health care provider that gave the immunization and ask for a copy of the immunization record.
2. Report these immunizations by either scanning this QR code or by going to FraserHealth.ca/immunizationform

If you need more information go to FraserHealth.ca/immunize or call your local public health unit.
