

JUNE 2025 DEEP DIVE OFFERINGS

| Deep Dive | Description |
|---|---|
| <p>Intensive French Course</p>  | <p>Culture, Conversation, and Creativity</p> <p>Bienvenue! Are you ready to immerse yourself in the vibrant world of French language and culture? This two-week intensive course is designed for students eager to expand their French proficiency while exploring the beauty of French art, music, and culture. Through dynamic activities, engaging conversations, and in-depth explorations of France's rich cultural heritage, this course will offer a fun and interactive way to explore everything French!</p> <p>Whether you're an intermediate or advanced French speaker, or just interested in French culture, this course will help you develop confidence in speaking French, improve listening comprehension, and deepen your appreciation for the diverse aspects of the French world, including its iconic music, art, and history.</p> |
| <p>Tinies, Toddlers and Trailblazers</p>  | <p>Tinies, Toddlers, and Trailblazers is a hands-on Deep Dive where students will explore the world of child development—from tiny humans to trailblazing elementary kids! You'll help plan and lead playful, engaging activities for our in-house Toddler Cafés (open to the public!), and gain real-world experience by volunteering in a local daycare or elementary school. No experience needed—just a kind heart and a curious mind. A criminal record check is required before the Deep Dive begins. See Ms. Maxwell for more info and get ready to make a big impact on some little lives!</p> |
| <p>Build For A Better Wild</p>  | <p>Calling all ARTISTS and BUILDERS!</p> <p>Are you ready to make a real impact? In <i>Building for a Better Wild</i>, you'll team up with the Vancouver Zoo, Critter Care Wildlife Society, and SAYLANDS to take on creative, hands-on projects that help wildlife. Build duck and swallow nesting boxes, design giraffe feeders, and contribute to a zoo mural that showcases your artistic talent — all while ending the year with purpose, creativity, and conservation! *** <i>Students will be required to pay a \$20 transportation fee</i> ***</p> |
| <p>Art Studio Name: Visual Vortex</p>  | <p>Wonder how “trippy” art can be? Art Studio can give you a glimpse. Enter into this safe space to explore, and have fun. Students will be given one main project over the two weeks, and will explore different components that can create an engaging art piece through this project. The experience will push students to think critically and reflectively when confronted with challenges, helping to build resilience and patience. Students will engage in daily artwork analysis to expand their critical and observational skills, learning to see the unfamiliar in the familiar through different lenses. Students will have the freedom to explore and advocate for their own artistic expression and will be encouraged to take creative risks, discovering that art can be the start of meaningful, reflective dialogues. Artworks will be displayed on the last day of Deep Dive to showcase the students’ effort and creativity.</p> |

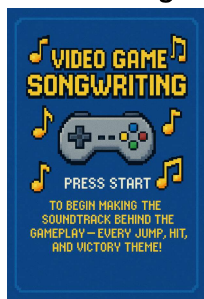

**Miller's
MYSTERY
Deep Dive**

Are you willing to:

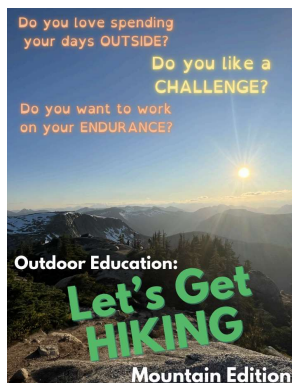

- do something different every day.
- go outside.
- walk 30 minutes in any direction
- take the city bus
- volunteer.
- be a do-gooder.
- Read
- journal or use art as a reflection
- get wet
- try new things.
- be prepared for anything.
- Must like snacks, travel stories and good conversations around campfires.

**Video Game Music and
Sound Design**

In this deep dive, students will learn how to compose and arrange digital music by exploring different sound layers and instruments on Garageband. They'll discover how to create melodies, rhythms, and background sounds that enhance the atmosphere and emotional tone of a game. Through hands-on practice, students will also understand how music can shape a player's experience and how to match musical elements with in-game events or characters to make the gameplay more immersive.

Outdoor Ed

Do you like exploring and being outdoors? 🏔️🌲 Connect with and learn about wild spaces of the Fraser Valley. In this deep dive, we will focus on building fitness, endurance, and proper nutrition to get us outside and hiking in the mountains! We will explore various wilderness environments so you can get outside confidently. You must be willing to participate in hikes of varying terrain and difficulty so we can build our endurance, all while building strong connections with our hiking team and the natural world. Join in on the adventure and experience the magical mountains, rivers, and forests that we are lucky to call home in the Valley! Be prepared to be outside everyday, rain or shine! 👍👟

What skills will you learn?

- Trip Planning/Route Selection
- Nutrition
- Fitness & Conditioning
- Wilderness Ethics

Quiltmaking and Community

Explore the art and skill of quiltmaking, and contribute to our local Chilliwack community! In this deep dive, presented in collaboration with the Chilliwack Piecemakers quilting guild, you will: Learn, from start to finish, the design, cutting, pressing, and machine sewing skills needed to create a beautiful, lasting piece! Design a simple quilt and learn to bring your vision to life! Work with local artists from the Chilliwack Piecemakers guild and learn about the history and diversity of this art form, including traditional patterns, modern trends, the unique quilts of African-American communities like Gee's Bend, and experimental, mixed media art quilts! Discover the joy of creating beautiful, functional objects with your own two hands! Create a quilt to donate to local community charities, such as Chilliwack Hospice, Meadow Rose Society, and the Child Development Centre, as well as a smaller quilted piece for you to keep!

Board Game Development

Don't be bored this Deep Dive, be **board**! Explore the exciting world of game design through the creation of your own board game! In this deep dive, you'll be able to work on your own or with a team to create a board game to play with your friends and schoolmates in two weeks! Playtest and iterate your board game as you develop and improve throughout the days. Roll the dice and sign up for Board Game Development!

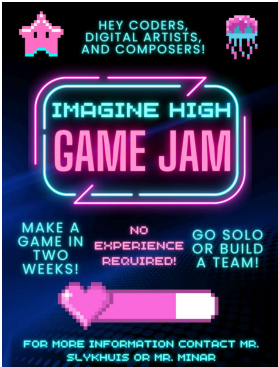

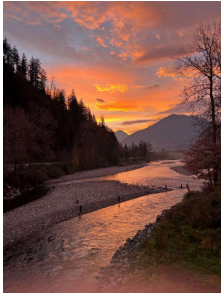

See Mr. White for more information.

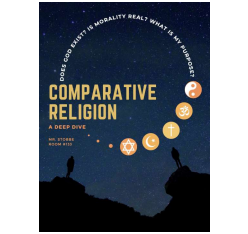

Imagine Pixels

Create pixel art for video games
Design tile sets for maps and levels
Bring your art to life with animations
Explore characters, sprites, and landscapes
Collaboration opportunities with game developers

Ask Mr. Minar (room 209) for more info!

| <p>Fermentation</p>  <p>The poster for 'Deep Dive Fermentation' features the title in a stylized font. It includes a paragraph about the world being full of bacteria, fungi, and viruses, and how these microbes have played a significant role in food culture since the dawn of human history. It also mentions that fermentation is used to create breads, beverages, vinegars, and more. The poster includes a small image of various fermented foods like pickles and kimchi.</p> | <p>Teacher: Chef Tim Deep Dive Room: Professional Kitchen</p> <p>Our world is full of bacteria, fungi, and viruses. These microbes have played a significant role in food culture since the dawn of human history. From breads to beverages, vinegars and more, fermentation is the process used to create them all. We will discuss and practice the various types of fermentation, examining the process from both a scientific and historical perspective, as well as its impact on taste.</p> |
| <p>Game Jam</p>  <p>The poster for 'Imagine High Game Jam' is colorful and features the title in a large, stylized font. It includes a paragraph about the event being a two-week game development workshop for coders, digital artists, and composers. It also mentions that participants can work solo or in teams, and that no experience is required. The poster includes a small image of a game controller and a heart icon.</p> | <p>Have you ever wanted to make a video game? Work solo or create a team to develop an entire video game in just two weeks! Perfect for: coders, level designers, and creative people who are interested in learning about game development. We will focus specifically on planning, coding and programming in this deep dive (if you are more interested in game art or music, be sure to check out our partner Deep Dives!).</p> <p>See Mr. Slykhuis, Mr. Minar, or Mr. Buhler for more information.</p> |
| <p>Botany Blitz</p>  <p>The poster for 'Botany Blitz' features the title in a large, stylized font. It includes a list of activities: 'Learn to id the plants that grow around Imagine High (and beyond)', 'Find out about traditional uses of local plants', 'Forage for edible plants and use them to make something to eat', 'Observe similarities and differences between plants and classify them accordingly', 'Contribute to science and conservation by submitting photos to iNaturalist', 'Spend time relaxing outside with your nature journal', 'Use distillation equipment to prepare plant extracts', and 'Follow your own passion for a final, plant-themed project'. The poster includes a small image of various plants and leaves.</p> | <p>Learn to id the plants that grow around Imagine High (and beyond) Find out about traditional uses of local plants Forage for edible plants and use them to make something to eat Observe similarities and differences between plants and classify them accordingly Contribute to science and conservation by submitting photos to iNaturalist Spend time relaxing outside with your nature journal Use distillation equipment to prepare plant extracts Follow your own passion for a final, plant-themed project</p> |
| <p>BUSSIN PHOTOGRAPHY - summer edition</p>  <p>The poster for 'BUSSIN PHOTOGRAPHY - summer edition' features a landscape photograph of a river flowing through a valley with mountains in the background. The text is in a bold, sans-serif font.</p> | <p>Like taking photos but looking to explore more of Chilliwack than McCutcheon Park? This is the deep dive for you! We supply the bus passes so get ready and let's explore! This deep dive will focus on landscape and nature photography and how to get around the Fraser Valley on a public bus! In the Summer Edition we take advantage of buses to Cultus and Harrison Lake! After checking out new spots around the valley we will have plenty of time back in the classroom to edit our photos on Lightroom Classic. Some photographic experience is preferred! We will host a gallery viewing at the end of Deep Dives to share our explorations! Also some bus trips with Outdoor Ed! Walking/hiking required.</p> |

| <div data-bbox="103 113 349 535"> <h3>BROADWAY CHOREOGRAPHY</h3>  <p>SONG, DANCE, AND MORE</p> <p>Have you ever watched a musical and thought to yourself, "wow, I'd really love to be able to dance on a stage in a play like that"? So has Ms. Froese. This deep dive will explore how dance can further a story and reveal character, and it will just be fun. We will be learning choreography to a handful of songs from Broadway musicals, you could have a chance to choreograph your own dance, and we will work as a class to choreograph and stage an entire scene from a musical. Prior dance experience is not required, but is an asset. Please be prepared to move around and have fun!</p> </div> | <p>Have you ever watched a musical and thought to yourself, “Wow, I’d really love to be able to dance on a stage in a play like that”? So has Ms. Froese. This deep dive will explore how dance can further a story and reveal character, and it will just be fun. We will be learning choreography for a handful of songs from Broadway musicals, you could have a chance to choreograph your own dance, and we will work as a class to choreograph and stage an entire scene from a musical. Prior dance experience is not required but is an asset. Please be prepared to move around and have fun!</p> |
| <div data-bbox="103 644 349 909"> <h3>Comparative Religion</h3>  </div> | <p>What is religion? What do religions teach? What do people believe about life, death, and what really matters? In Comparative Religion, we’ll explore major world religions like Christianity, Islam, Hinduism, Buddhism, Sikhism and Judaism. You’ll hear from leaders of many of these faiths and reflect on your own beliefs while learning why people believe what they believe. We’ll discuss cults, compare trends in faith and examine how religion shapes cultures and global events. If you follow a religion, are a curious skeptic or somewhere in between- this class is for you!</p> |
| <div data-bbox="103 987 349 1241"> <h3>Imagine-a-Palooza</h3>  <p>DEEP DIVE JUNE 9-23, 2025</p> </div> | <p>Be a part of the first ever Imagine High End-of-Year Music Festival, Imagine-a-Palooza! In this Deep Dive you will be participating in the planning and execution of a 2-hour outdoor musical extravaganza for Imagine High’s Exhibition Day on June 24th. You will be working in a band (or two, or three) to create, practice,, and perform a short 20-30 minute setlist. You will also be learning how to market and promote both your band and the music festival itself. If playing music with friends, promoting yourself, and being a part of an epic concert sounds amazing, then this Deep Dive is for you! Note: prior experience and/or completion of a Rock Band class is helpful!</p> |
| <div data-bbox="103 1337 349 1724"> <h3>Find Your Voice! A Singing Deep Dive</h3>  <p>JUNE 9-23, 2025 ROOM 205 MRS. CHRISTIE</p> </div> | <p>Whether you're a seasoned singer or just finding your voice, this two-week Deep Dive is your chance to explore the art of singing in a supportive and creative environment. We'll work on vocal technique, breath control, pitch, and performance confidence through fun exercises, group work, and solo opportunities. From pop to musical theatre to whatever style inspires you, you'll have the chance to try new things, express yourself, and grow as a vocalist. No experience necessary—just a willingness to sing, experiment, and have fun with music!</p> |

Personal Passion Deep Dive

Students in Grades 10-12 interested in pursuing a Personal Passion Project must first fill out a deep dive request form. When completing this form, be sure to request the Personal Passion Project deep dive while also selecting alternate choices in case the project cannot be approved. In addition to the deep dive request, you will need to complete a separate approval application. This application should emphasize the fullness of your project plan and include teacher references to support your proposal. The applications are available at the office.
