# IMAGINE HIGH COMMUNITY CODE OF CONDUCT

## [SEE FULL IMAGINE CODE OF CONDUCT](#)

We live and thrive together as a community of learners - students, staff, families and guests - when we:

- We **connect** in a safe and inclusive way, respecting all members of our Imagine community
- We **create** relationships that value individual differences and collective responsibility
- We **contribute** to a caring and welcoming environment by taking care of this place and each other. We commit to create an environment in which all members of the Imagine family connect, create, and contribute

We recognize that our students are developing as responsible participants of our community and therefore, we remain focused on accountability for personal actions coupled with approaches that focus on empathy and the repairing of harm.

**Imagine High**  
COMMUNITY CODE OF CONDUCT

**Connect. Create. Contribute.**  
WE LIVE AND THRIVE TOGETHER AS A COMMUNITY OF LEARNERS - STUDENTS, STAFF, FAMILIES AND GUESTS - WHEN WE:

- We **connect** in a safe and inclusive way, respecting all members of our Imagine community.
- We **create** relationships that value individual differences and collective responsibility
- We **contribute** to a caring and welcoming environment by taking care of this place and each other.

We commit to create an environment in which all members of the Imagine family can connect, create, and contribute. We recognize that our students are developing as responsible participants of our community and, therefore, we remain focused on accountability for personal actions coupled with approaches that focus on empathy and the repairing of harm.

**All are welcome at Imagine High.**  
Our community aims to be free from:

- Discrimination of any form based on race; ethnicity; ancestry; sexual orientation, gender identity or expression; religion, place of origin, family status, physical, mental ability, or other factors
- Bullying or harassment: a persistent pattern of unwelcome aggressive behaviour that hurts others physically and/or emotionally
- Retribution against a person who has reported concerns

**Imagine Dress Code**  
Our student dress code supports our goal of inspiring students to learn while leaving primary decisions around clothing and style to students and families. Students will refrain from wearing clothing that contains discriminatory images, drug/alcohol references or imagery that negatively impacts a safe, welcoming learning environment.

**Connect. Create. Contribute.**

**Expected Actions**  
We expect members of our community to act in a way that makes the school safe, equitable, kind, and inclusive. Our community functions at its fullest thought:

- Just, consistent, and reasonable expectations that embed student voice and choice
- Instructional design that promotes and reinforces pro-social skills, mediation, collaborative learning, and restorative practices
- Responsible choices and safe behaviours
- Collaborative problem solving
- Conflict resolution through restorative practices

**Unexpected Actions**  
Unexpected behaviours or actions can interfere with personal safety, well-being, and learning. Unexpected actions may damage relationships, disrupt learning, or undermine safety.

*They consist of, but are not limited to:*

- Lack of respect or care for others
- Verbal (digital or face-to-face) harassment or physical aggression
- Destruction or misuse of property
- Actions that threaten the emotional or physical safety of others

**Restorative Processes**  
WHERE POSSIBLE:

- Include students in the development of meaningful interventions through discussion or mediation
- Focus on repairing relationships and re-integrate the student back into their learning community
- Support students with time and space needed for reflection, self-regulation and repair
- Create supportive conditions for students to learn and practice self-discipline
- Address injustices by addressing the needs of those who have been harmed and support restorative interventions

**Responses to Unexpected Actions**  
To be equitable, responses must be flexible, and individualized. Responses may vary from student to student where an incident appears to be similar and will respect individual rights, needs, age or developmental level, and where they are in their learning journey. Responses will focus on restorative actions wherever possible. Serious incidents will result in communication with parents, school district officials, police, and/or other agencies as appropriate to support the students involved.

Responses may include:

- Review of expectations
- Meetings with parents/guardians
- Loss of privileges
- Student contract or support plan that includes strategies, supports and resources
- Referrals to district or community resources for additional assessment or support

# DEEP DIVES AT IMAGINE HIGH

Deep Dives are dynamic and engaging immersive learning institutes that offer opportunities for students to go deep into interests within specific focus areas. During the institutes, students collaborate with peers, teachers, experts, and community creatives to partner on real-world projects and problems. These intensive learning opportunities support students to hone in on personal passion areas, prepare for internships/work experience, and learn with industry standard tools. During Deep Dive Institutes, learning in the integrated core and elective sessions are paused.

Offerings change yearly based on student interest. Past Deep Dive examples include: Fashion Design, Medieval Weaponry/Tailoring, Theatre Make-up, Baking Institute, Videogame Development, Philosophy & Film, Childcare 101, Songwriting, Musical Theatre, Photography, Outdoor Wilderness Survival and many more. Students receive TWO elective credits for successful completion of Deep Dives.

Personal Passion Projects: Students in Grade 10-12 may submit a Personal Passion Project application by the deadlines below. Approval depends on fulsomeness of application/planning and teacher references. Applications available at Welcome Center. Personal Passion Project applications that are submitted after the deadline will not be considered.

## DEEP DIVE SELECTION

**Students who complete the selection process online during the allotted time are guaranteed ONE of their TOP THREE SELECTIONS, but sometimes will not receive their first choice due to space availability.** If there is limited space and large interest, we move to a lottery selection. Students who select after the selection date closes will have limited choices and may not receive their top three choices. All Deep Dive course changes must be complete prior to Deep Dives - **students are required to be in one Deep Dive for the full two weeks in order to receive credit based on instructional hours.**

### Selection Process

- Students who complete the selection process on time are guaranteed one of their top three choices, though not always their first, due to space limitations. If demand is high, a lottery may be used.
- Late selections will have limited options and are not guaranteed a top-three choice.
- All Deep Dive changes must be finalized before the institute begins. Students must attend the full two-week program to receive credit.
